The minor in Emerging Media and Digital Arts prepares students from any departmental major with the skills to develop, produce, and evaluate original projects in digital media. Students engage in all stages of the production process and conduct critical investigations into people's roles as participants in and products of technologically mediated culture.

To graduate with a minor in Emerging Media & Digital Arts, you must fulfill SOU's baccalaureate degree requirements. More information: <http://catalog.sou.edu/content.php?catoid=5&navoid=414>

You must also complete a minimum of 28 credits in EMDA courses and related approved courses. The 28 credits are divided into 3 categories.
